Re: MWFPA Annual Convention – Thank You!!!

Dear Ken:

Ken

Well I suppose it is about time I got around to thanking all of my speakers for making the 103rd Annual Midwest Food Processors Association Convention & Processing Crops Conference a success last month in Milwaukee, WI.

Your humorous keynote address after lunch on the second day was just what the audience needed to end a successful convention. As you promised your program was well researched, tasteful, funny, and irreverent. I know the audience loved it and heard several people give positive reviews. I think they really liked the Harry Cary routine. It sounded just like him.

Again, thank you for making the convention a success. I will be happy to recommend you as a speaker at any time and look forward to working with you in the future.

Sincerely,

Nick
