Ken:

Thank you for making OUI Speakers Bureau look so good! It was one of the best ever!!

In the next few weeks, we will be reviewing the evaluations and placing calls to all the meeting planners who are in need of a speaker within the next 6 months to 1 year. The evaluation forms were very positive!! There were 8 of the organizations to date that expressed interest in your services. Be assured that as soon as we have information for you on any of these businesses, we will get in touch with you.

Please keep in mind, as with all showcases, there is no guarantee of immediate bookings. So be patient. We will do our best to convert the interest the meeting planners have expressed into business.

Thanks again for being a part of OUI Speakers Bureau showcase. You did an awesome job.

With enthusiasm,

Lynn Van Ven Roy
