Dear Ken,

Thank you very much for performing at the Wyandot Health Foundation's Fourth Annual Comedy Night. Your show was wonderful, particularly your improvisation with the mayor of Kirby. (We are mailing him a photo, too.) Your jokes were funny, but tasteful and quite well suited for our audience and event sponsors, many of whom were in attendance.

Comedy Night generated more than \$4,200 this year, and 281 people attended the event. The proceeds will help the Foundation fund the purchase of a youth sized mannequin and accessories for the hospital's Pediatric Advanced Life Support program. This new equipment will allow our staff to train in-house rather than traveling outside our facility for education.

You seem to have established a new fan base here in Upper Sandusky. A number of folks who attended the January 25 fundraiser hope you will perform at other venues near Upper Sandusky, like the Funny Bone in Columbus, Ohio, because we would like to see your act again.

Again, thank your for helping to make our event such a success.

Sincerely yours,

Joe D'Ettorre
